

Joining an Existing Organization

VocFit.com

Step 1. Click “Request to Join an Organization”

- Click the red “Request to Join and Organization” button in the middle of your screen.

The screenshot shows a dashboard with a dark red header containing the word "DASHBOARD" in white. Below the header is a white box titled "Organizations". Inside this box, there is a red button labeled "Register a new Organization". Below that, there is a list of organizations. The first organization listed is "VocFit Test Training (Other - specify)", which has a "Premium" badge on the right. Below this organization name is a red button labeled "Request to Join an Organization". A red arrow points from the top of the page down to this button, and the button is circled in red.

[Request to Join an Organization](#)

Step 2. Search for Organization and Send Request

- Type in the name of the organization you're hoping to find in the search box.
- Click on the one you would like to join and click the red "Add" button. This will send a request to the organization admin. If they accept you, the organization will then appear on your dashboard under "Organizations."
