Resetting your Password

Step 1. Enter your Login Credentials

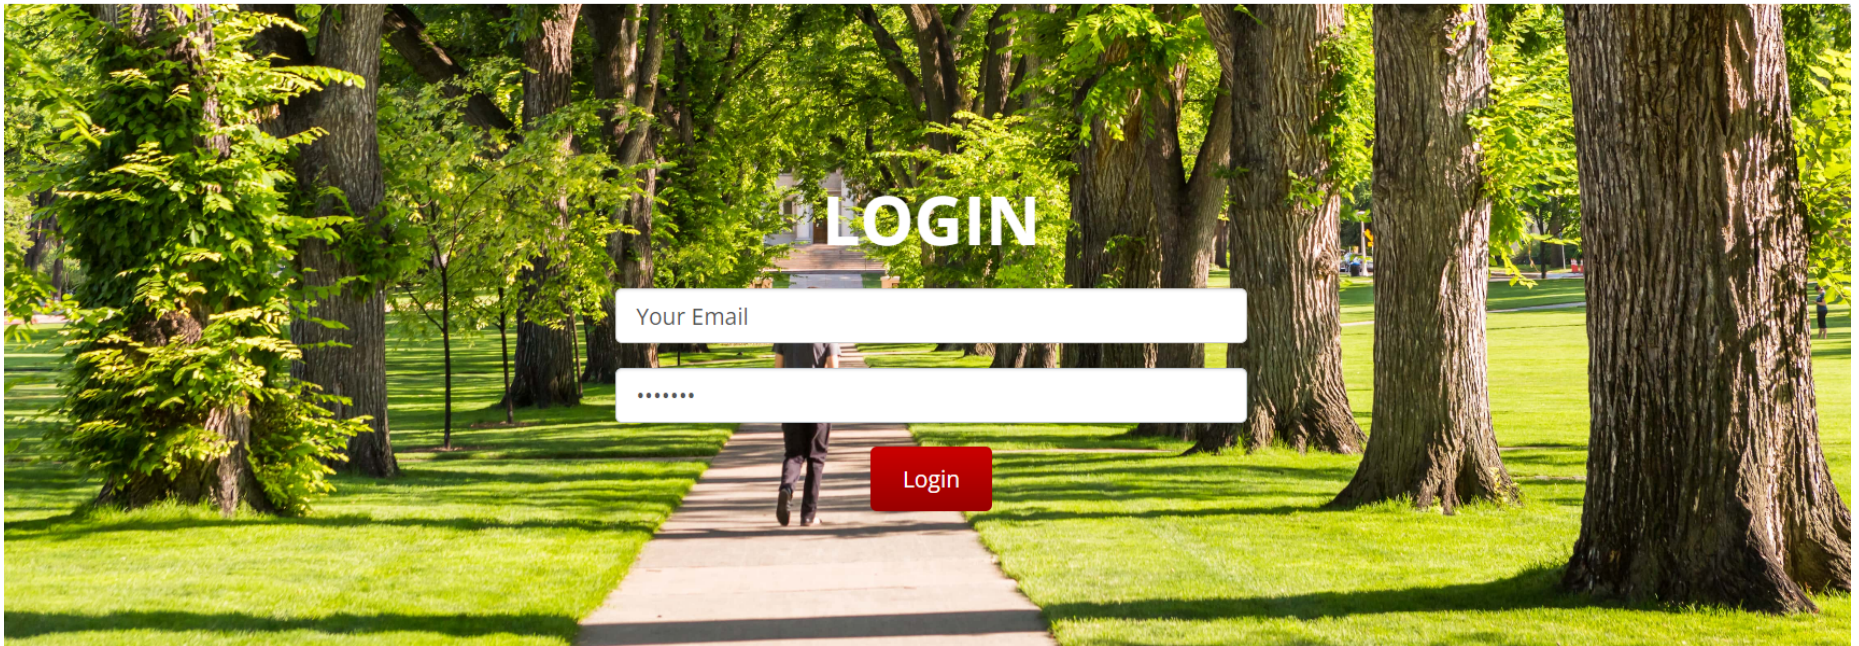

- To login to VocFit.com, enter your email and password into the fields below.
 - If you don't remember your password, type your email and enter at least 1 character into the password field. You can guess your password, or just type something like "123".
 - It will not let you continue unless something is entered into the password field.

Archiving/Deleting your Account

Send an Email Request

- If you need to archive or delete your account, send an email to admin@vocfit.com and one of our staff will assist you.
 - Please include your full name, email address, and reason for archiving/deleting your account.
 - Please also specify whether you want to delete or archive your account:
 - Deleting your account is permanent, and all your records and data will be removed.
 - If your account is archived, your records and data will still be saved but your account will be inactive.

admin@vocfit.com

Please Archive My Account

Hello,

I would like assistance with archiving my account. My name is _____, my email address is _____@gmail.com, and I am archiving my account because _____.

Best,
