Step 5. Select Two Raters to Compare

- Make sure to check the two different raters (i.e. teachers/trainers/coaches/etc.) in which you would like to compare.
- You will not be able to run a report unless you have two raters selected. The purpose of this data is to compare how the raters assessed the student's/intern's/worker's skills and abilities.
- Click "Run" once these are checked.

Step 6. Viewing the Rater Agreement Report

- The report results are displayed in two ways. The first graphic displays the amount of overlap between the two rater for each of the subscales. The greater overlap of the colors equals greater agreement between the two raters.
- The second graphic shows the percent agreement between the two raters for each of the subscales without the visual.
